

# MARDON RD CHURCH

we exist to encourage each other on this journey of christian faith, to share this message with others and to encourage one another to grow in maturity in christ

## ROVING FELLOWSHIP

If you want to know where all the best café's are in the greater Hamilton area - just ask one of the Roving Fellowship. Every two weeks they get together for fellowship, as the name suggests, and the chance to share a devotional or discuss the important issues of the day. It's a tight knit group with Brian Cooney even making the trek from Tauranga each time, but they've opened their arms to welcome Kathleen and Alan Stanley who often join them. May the Lord continue to bless this ministry.

## CHARLIE GOBLE

Charlie surprised her family with a nine-day visit from South Korea. And by surprised we mean, really surprised. The only hint was hearing a few sneezes (NZ allergies) and seeing feet under a blanket in her old bed last Wednesday morning. Great to see you Charlie and may God bless you and keep you as you return to Korea this week.

## YOUTH NINJA VALLEY

After Ninja Valley opened in Hamilton, we were waiting in anticipation for an opportunity to go check it out and test our ninja skills! So, the day finally came on the 30th of July and the youth group and young adults came together and became ninjas! We started by getting our non-slip ninja socks then we went out onto the course and ran, jumped, climbed, flipped, fought, and got injured for an entire hour of exhilarating fun! Then we finished off the evening with a classic Maccas run followed by a competitive game of Articulate, which unfortunately didn't end in the result I was expecting. My team couldn't quite come away with the victory despite being in the lead for so long. But there's always next time!

An evening for the ladies ...

Whether it's last year's sundress or a purse you just never use, gather the pieces you no longer love and join us for a stylish (but thrifty) evening of clothing swapping, coffee and dessert. Date and time to be confirmed.
