BRIAN & JANET COONEY

Brian and Janet are moving to Tauranga at the end of this month and will be living near to their daughter Raechel. Brian and Janet are much loved members of our church so will be missed, particularly at Roving Fellowship and the Scrabble Group, but also in the many ways they contribute to the life of the church. There will be a special farewell morning tea on Sunday 23rd June following the service.

CHRISTIAN SCREEN

Since returning from Fiji last month with 38 libraries, we have received advice of two more - one at Valelevu Gospel Chapel in Suva and the other at Nadi Gospel Chapel. We have also sent over eight start-up packs of six DVDs to the new libraries that didn't get anything whilst we were in Fiji as we had run out. We are now working towards getting start-up packs to the two newest ones and two new titles for all the libraries. Thanks for your continued encouragement and support. >> Cliff & Leonie

YOUTH GROUP

BREAKTHROUGH @ CAPERNWRAY

On Saturday the 18th of May, Mardon Road Youth travelled out to Cambridge for the annual "Breakthrough" event hosted by Capernwray Bible College. The night promised to be an exciting time for all the teams of Youth Groups attending, with Mardon Road hoping to come out on top as winners of the event. This year, the team at Capernwray had devised a scenario that involved all the youth groups, wherein a secret computer hacker had hacked into the internet and threatened to destroy it, unless we could bring him 1 million dollars! Like the US, our youth groups had a policy of not paying blackmail money, and therefore we set out on a quest around the world to collect micro-gems, that would power a super-computer to stop the hacker from destroying the internet. Through our travels, we journeyed to America, where we took part in a glamorous game show; we travelled to India, and just about blew our heads off trying to eat spicy curry; we even travelled to ancient Egypt, where we had to decode a hieroglyph message. At each country, Mardon Road youth group accomplished our given mission,

winning micro-gems along the way. Once we had collected seven micro-gems, we hurried to save the day and stop the computer hacker, but... We were too late! The internet was destroyed! All those emails that you weren't getting last week? Sorry, that was our fault! This night proved to be a fun time for all, with an impactful devotion to finish the night. We are very thankful for all the Capernwray students that put on the night and encouraged us with a message of the Gospel!

BAPTISMAL SERVICE

We are planning on having a baptismal service later in the year. If you would like to be baptised, please see one of the leadership team.

"And that water is a picture of baptism, which now saves you, not by removing dirt from your body, but as a response to God from a clean conscience. It is effective because of the resurrection of Jesus Christ." 1 Peter 3:21
